

MRS. WILLIAMS' LONG SICKNESS

Yields To Lydia E. Pinkham's Vegetable Compound.

Elkhart, Ind.—"I suffered for fourteen years from organic inflammation, female weakness, pain and irregularities. The pains in my sides were increased by walking or standing on my feet and I had such awful bearing down feelings, was depressed in spirits and became thin and pale with dull, heavy eyes. I had six doctors from whom I received only temporary relief. I decided to give Lydia E. Pinkham's Vegetable Compound a fair trial and also the Sanative Wash. I have now used the remedies for four months and cannot express my thanks for what they have done for me.

"If these lines will be of any benefit you have my permission to publish them."—Mrs. SADIE WILLIAMS, 465 James Street, Elkhart, Indiana.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

"Jack" Spreckels again to join Ranks of Benefactors.

Closely following the marriage of Mrs. Edith Huntington Spreckels, former wife of "Jack" Spreckels, and Mr. Frank Wakefield in Honolulu last Wednesday, has come the news that Mr. Spreckels has taken out a license to marry Miss Sidi Wirt, a society girl from Garden City, Kansas. Miss Wirt is well-known in San Francisco society as she is in Garden City, having visited there frequently. On the occasion of her trips to San Francisco Miss Wirt has been entertained extensively, and at the time Mrs. Spreckels sued her husband for divorce it was rumored that as soon as he was freed from his matrimonial bonds Mr. Spreckels would marry Miss Wirt. At the time the rumors first were heard in the social circles of San Francisco it was expected that Mr. Spreckels would deny them, but he disappointed everyone by confirming them.

Wedding Announcement.

Another party of Honoluluans who made the Tahoe trip a few days later included Mr. and Mrs. Francis Gay.

THIN PEOPLE CAN INCREASE WEIGHT

This men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh yourself again. It isn't a question of how you look or feel, or what your friends say and think. The scale and tape measure will tell their own story, and most any thin man or woman can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food, it turns the fats, sugars and starches of what you have eaten, into rich, ripe fat, producing nourishment for the tissues and blood—preparing it in an easily assimilated form which the blood can readily accept. All this nourishment now passes from your body as waste. But Sargol stops the waste and does it quickly and makes the fat-producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive.

FORMER OREGON AND WASHINGTON PEOPLE TO DINE

The residents in Honolulu from Washington and Oregon will be the guests of the Pan-Pacific Club tomorrow evening at a 6 o'clock supper at the Outrigger Club.

The Pan-Pacific Club is merely bringing the Northwestern people together, and the meeting will be at once turned over to them that they may become acquainted and make any arrangements they wish for the entertainment of the Royal Rosarians who will come to Honolulu in February with about 300 excursionists from Washington and Oregon.

Before the festivities of the evening begin and during the meal, the Washington-Oregon people will probably discuss their plans for the presentation of their flags of the two states to the Pan-Pacific Club on "Pacific Day," September 25, when there will be big ceremonies in commemoration of the fact that on that day and date in the year 1913 Balboa discovered the Pacific.

Supper tomorrow night will be informal, and both women and men from Washington and Oregon have been invited to attend. Any who have been overlooked are requested to call up J. B. Stickney, phone 4921, at the Hawaiian Hotel, if they wish to attend.
